

Scene\_Settings::Scene  
\_Settings

```
graph LR; A[Scene_Settings::Scene_Settings] --> B[Scene_Settings::init]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'Scene\_Settings::Scene\_Settings' on two lines. The right box is gray with a black border and contains the text 'Scene\_Settings::init' on one line.

Scene\_Settings::init
